

**9<sup>th</sup> International Congress  
Motor Vehicles & Motors 2022  
Kragujevac, Serbia  
October 13<sup>th</sup>-14<sup>th</sup>, 2022**

**9th INTERNATIONAL CONGRESS "MOTOR VEHICLES AND MOTORS" (MVM 2022)**

**October 13-14, 2022,**

**University of Kragujevac, Faculty of Engineering**

**Sestre Janjić 6**

**34000 Kragujevac**

**Serbia**

March 29, 2022

Dear Authors,

We are pleased to announce that the **9<sup>th</sup> International Congress "Motor Vehicles and Motors" MVM 2022** with the main topic **Ecology - Vehicle And Road Safety - Efficiency** will be organized by the Faculty of Engineering, University of Kragujevac, Department of Motor Vehicles and Motors.

The MVM 2022 Congress will be held from October 13-14, 2022. in Kragujevac.

### **Congress aim**

The Congress MVM 2022 provides a unique platform for scholars, scientists, engineers, researchers and professionals to exchange ideas and views, and present advances and their findings in the field of Ecology - Vehicle and Road Safety - Efficiency.

### **Congress themes**

We welcome papers that consider the theme of Ecology - Vehicle and Road Safety - Efficiency from a wide variety of perspectives. Areas that the authors might explore, but are not limited to, include:

#### **A. Power Train Technology**

- SI Engines
- CI Engines
- Alternative Fuel Engines
- Hybrid & Electrical Power Systems
- Fuel Cell Systems
- Aftertreatment Systems
- Transmission Systems

#### **B. Vehicle Design and Manufacturing**

- Body Structures
- Advanced Materials
- Recycling
- Manufacturing Systems
- Quality Systems in Automotive Industry

#### **C. Vehicle Dynamics and Intelligent Control Systems**

- Aerodynamics
- Vehicle Ride and Handling
- Intelligent Safety Systems
- Tires/Braking Systems/Steering/Suspension

#### **D. Driver/Vehicle Interface, Information and Assistance Systems**

- Communication & Informatics
  - Noise & Vibration
  - Human Comfort & Thermal Management
  - Vehicle Security & Occupant Protection
  - Driver Assistance & Information Systems
- E. Transport Challenges in Emerging Economies
- Safety
  - Ecology & Energy
  - Legislation
  - Socio-economic Issues
  - Personal/Public/Freight transportation
  - Maintenance & Aftermarket

## Languages

The official languages of the Congress are English and Serbian. Abstracts and Papers must be written in English. Oral presentation can be in English and Serbian.

## Important dates:

- Abstract Submission Deadline May 31<sup>st</sup>, 2022
- Notification of Abstract Acceptance/Rejection June 15<sup>th</sup>, 2022
- Full Paper Submission Deadline August 20<sup>th</sup>, 2022
- Notification of paper acceptance September 20<sup>th</sup>, 2022
- Final programme of the Congress October 1<sup>st</sup>, 2022
- Congress opening October 13<sup>th</sup>, 2022

## Congress Fees

Registration fee covers attendance in Congress sessions, Congress Proceedings and Certificate of Attendance. The registration fee for participants is 150 EUR. Please refer to the information about payment method on the Congress website <http://congressmvm.fink.rs/pf.html>.

## Material submission

Abstract submission will be made via online <https://www.morressier.com/call-for-abstracts/MVM-2022>

All submitted abstracts and papers will be put through peer reviews.

Papers submission will be made via online

<https://www.morressier.com/call-for-papers/6231ca126dcde10012d08e96>

All papers which are accepted after reviews will be published in the form of extended abstracts in the Book of Abstract. Authors will prepare and separately submit extended Abstracts according to the template which will be provided later.

Papers once accepted will be published in:

## IOP Conference Series: Materials Science and Engineering

Papers published in IOP Conference Series must meet IOP Publishing terms <https://publishingsupport.iopscience.iop.org/author-guidelines-for-conference-proceedings/>.

Papers published through IOP Conference Series will be published online with open-access and indexed in Scopus, Ei Compendex, Thomson Reuters (WoS), Inspec, etc.

Accepted Extended Abstract will be published in Book of Abstract. Scientific Board will call Authors of selected Extended Abstracts to publish paper in Journal Mobility & Vehicle Mechanics.

Papers published this way must be prepared in accordance with the terms of the publisher (templates, additional reviews, etc.) <http://www.mvm.fink.rs/pages/guide-for-authors.html>

For a short summary of this Congress, please explore the Congress website <http://congressmvm.fink.rs/>. We encourage submissions from a diverse range of authors from all countries and backgrounds.

Please feel free to disseminate this information within your contacts.

Sincerely,

***Chairman of the Congress MVM 2022,  
Prof. dr Jovanka Lukić***
